Subject: Teresa Brewer Center Website Update - July 2005

To the TeresaFans emailing list:

The monthly update to the website is now available online – just in time for your Independence Day weekend viewing pleasure.

July [NEWS](#):

- Three CDs in three months! Believe it or not – yet another new compilation CD titled ***Teresa Brewer – Let Me Go Lover*** is now becoming available. This one features 18 of Teresa's early (1949-1954) recordings and is being released by Memory Lane Records in the UK. For more information see [NEWS](#) > *Products and Resources* > *Recent Products*.
- In case you missed last month's news, the ***Let Me Go Lover*** CD joins two other CDs released in the last two months. In May, the website update featured a new Living Era CD titled ***Music Music Music***. In June, the website update featured a new Sepia Records CD titled ***Teresa Brewer – Longing For You***. Both CDs feature selections of Teresa's early (1949-1954) recordings. For more information on all new releases, see [NEWS](#) > *Products and Resources* > *Recent Products*.
- Teresa's answers to more of your questions are now available in the **[Ask Teresa!](#)** section of the website. In April, we announced a new Q&A feature for Teresa's fans, by special arrangement with the Fan Club and Teresa. Fans can now submit questions through the website that will be forwarded to Teresa, and Teresa's answers will be posted in future updates to the website. The third installment of the **[Ask Teresa!](#)** Q&A feature appears this month – see links on the [HOME](#) page or in [NEWS](#) > *Questions & Answers* to read recent questions and answers, or to ask Teresa a question of your own.

July monthly features:

The 11th of our series spotlighting vintage print articles about Teresa appears this month – a ***Hit Parader Magazine*** article from July 1956. Follow the [Now in Print](#) icons on the [HOME](#) page or the [LIFE](#) page. (You'll need Adobe Reader installed to view the print article files, and be patient as the large file downloads.)

This month's Song of the Month, for your vacationing pleasure, is ***Hawaii Moon*** – from Teresa's 1961 album, ***Aloha From Teresa***. Each month we provide audio of one of Teresa's songs that is not included in the permanent audio library on the website. Find the Song of the Month by following the [Now Playing](#) icons on the [HOME](#) page or the [MUSIC](#) page.

Best wishes – and have an enjoyable and safe Independence Day weekend – from the Teresa Brewer Center (www.teresafans.org)
